ADMINISTRATIVE BOARD OF THE SUPREME COURT OF FLORIDA

If you need to file a Notice of Postponement from the General Bar Examination, you should complete the online Notice of Postponement located in the Examination Status section of the landing page of your [applicant portal](#), prior to the commencement of the administration of the bar examination.

Your previously paid application fee will be applied to the next bar examination for which you apply; however, you will incur a postponement fee. Please be reminded that any laptop fee paid for the current examination is not transferable to a future examination.

The fee to postpone from the General Bar Examination is determined by the date of receipt in the board's office of your Notice of Postponement (\$100 if received at least 7 days before the commencement of the administration of the examination, or \$200 if received prior to but less than 7 days before the commencement of the administration of the examination). If written notification is not received prior to the commencement of the examination, or not provided at all, the fee to take a subsequent examination will be \$450 pursuant to rule 4-47.

Note: If you applied to take both Part A and Part B, but have decided to take one part only, do not submit the Notice of Postponement (so that you retain a seat for the part you do take). Instead, send notification through the Correspondence page of the applicant portal advising which part you will not take. Understand that you will be required to pay the \$450 re-examination fee to apply to take any part of the examination at a future date.
